

If your Wonder Crew buddy gets a little dirty, as boys often do on an adventure, have no fear!

The Wonder Crew buddy's face, limbs and body can be cleaned by wiping it with a damp cloth and mild soap!

The buddy's removable clothing, and your child's matching accessory, are best washed by hand using mild soap and cold water, and then left to air dry.

If you prefer to wash the clothing in a machine, please use cold water and the delicate cycle.

If you have any questions or concerns about cleaning your Wonder Crew buddy, please contact our customer service and we'll be happy to help!
