

WAR

Card Game

2 Players
Ages 4 & Up

Rules

Object:

Collect the entire deck of cards.

Set Up:

Shuffle and deal out the entire deck.

Play:

- Both players keep your cards in a stack, face-down on the table.
- At the same time, both of you take a card from your pack and place it face-up on the table.
- If you played the card of highest rank, you win both cards, so take them and put them at the bottom of your stack.
- Continue to play cards the same way until both played cards match.

- If both played cards are the same, this means water balloon war!
- Both of you play one card face-down on that card, plus a second card face-up on the top.
- If your face-up card outranks your opponent's, you win all the cards on the table. Take them and put them at the bottom of your stack.
- If the two face-up cards match again, another war is declared. Keep playing the same way until one of you wins the war!
- Resume regular play and continue until one player wins all the cards in the deck.

Winning:

If you end up with the whole deck of cards, you win the water balloon war!
