CONTINUED

ALLOWABLE WORDS:
All words in the dictionary, plus common abbreviations such as tsp (for teaspoon) or lb (for pound) are allowed. You can use a dictionary at any time, even during your turn.

The following are NOT allowed:
• Contractions (don’t, she’s)
• Acronyms (A.S.A.P. = As Soon As Possible, V.I.P. = Very Important Person)
• Hyphenated words (part-time, head-on)
• Proper nouns (Robert, Alaska)
• Proper noun abbreviations (CA, Tue, Feb)

CHALLENGE A WORD:
You can challenge any word. If you are correct, the player must then pick up their cards plus a penalty card from the top of the deck.

THE NITTY GRITTY
H. Run Out of Time or Can’t Make a Word:
If you run out of time or can’t make a word, you must pick the top card from the deck. Before you look at it decide if you want to:
1. Add it to your hand
2. Place it at the end of the spiral
Either way your turn is over. If it’s placed at the end of the spiral, it does not have to create a word, but the next player must use it.

The round is over when a player runs out of cards.

The player with the lowest score at the end of the fifth round wins!
BATTERY SAFETY INFORMATION

In exceptional circumstances, batteries may leak fluids that can cause a chemical burn injury or ruin your toy. To avoid battery leakage:

• Adult supervision is recommended when changing batteries.
• Never recharge batteries that are not designated as rechargeable.
• Rechargeable batteries are to be removed from the toy before charging.
• Do not mix old and new batteries.
• Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
• Batteries are to be inserted with the correct polarity. Batteries are to be inserted with the correct polarity. Batteries are to be inserted with the correct polarity.
• Only batteries of the same or equivalent type as recommended are to be used.
• Do not mix batteries types.
