### Incidents/Injuries

There have been no reports of consumer incidents or injuries related to this product.

### What You Should Do

1. Stop using product immediately.
2. If the sand is still packaged, place it in a heavy-duty plastic bag, double tape it securely, label it clearly and store it in a secure location out of reach of children.
3. If the sand has been used, clean sites where the product was used using wet cloths to avoid generating dust. Wear gloves and a mask. Double bag the sand, gloves, mask and cloths.
4. Keep children and other people away from areas where the sand has been used until the area has been cleaned.
5. Return the sealed product to place of purchase for a full refund.
6. If you are unable to return the item to place of purchase, please follow the instructions above and dispose of the sand in your general household waste.
